XIII. OLD BUSINESS or NEW BUSINESS

OLD BUSINESS NEW BUSINESS

1. BM Rosenberg asked Laura if her office has a legislative or communication strategy or communication policy she could review? BM Potteiger advised that we worked on strategic planning with Richard Stroker. All of the board member’s asked for a recap of that plan.

2. The new board member’s asked for training. Mostly they want to know about DOC programs and how to do the assessments. Kim told them we have had a 2 day board meeting in the past where the DOC brings staff to talk about all of the programs. They are asking for this in October.

3. We were talking about future board meetings. The board wants to have a board meeting this December prior to the holiday luncheon as well as have a meeting every month. I told them that you are planning a 2-3 day retreat next January and want to have speakers come in at other meetings. They want to meet as a group every month since they have to come to Harrisburg every month for F2F.

4. The board member’s want to be able to plan and give input on the January retreat as to what training they need.

5. RRRI: The board made a motion to designate the RIPD’s to do a checklist for certain RRRI cases. Luis Rosa is to create the policy and take back to the board next month. Alan will create a resolution for the decision also for next month.

6. SIP: The board is willing to allow PV’s into the SIP program and approved Chad’s addition to the hearing report. Chad will need to advise the HE’s of the change.

7. Resolution was signed to allow the HE’s votes count on 2 vote violent cases.

8. The board made a motion to now allow staff to release offenders 7 days a week. We need to advise the offenders to report within 24 hours or the next business day.

9. SOP Repeat: Some of the board member’s want to go with chain to discuss with EDS. They feel there are issues with the program that so many offenders are not interviewing well.

10. Vision of the board/philosophy: Each of the board member’s went around and discussed what they look for during the interview.

11. Chad was asked to address the hearing examiner’s writing. If the board member is the first one reviewing the file, they cannot read the notes to know what happened at the interview.

12. The board would like to have a joint meeting with the HE’s to discuss conducting interviews and how the HE’s should conduct themselves.

The meeting was adjourned at 10:09 a.m.
